A LETTER OF RECOMMANDATION

I would like to inform you that David and his team did an outstanding job moving out of my apartment at 100 United Nation Plaza and moving in at my apartment at 23 Beekman Place from 19 to 21 September 2002. It was rather difficult to move in to my new apartment due to a small elevator and a narrow stairway. The bed had to be lifted from the outside through the window. The team was very polite, pleasant and hardworking and I highly recommend them to similar jobs.

Yours sincerely

Anne Merchant
Minister Counsellor
